

The Strange 01 – EMERALD

Why is it, that in life ?  
We all accept, what we think is right.

Then live it long, and without question.  
How can this be, here's a suggestion.

Take all, you think you know.  
Look at this life, you'll see it show.

So what are we ?  
And if we're all so equal.

Forget all that we know.  
Let's just remove it from the people.

So what am I ?  
What's that make you ?

Is this a stage ?  
Do we act on que ?

And all is good, just not for some.  
But in the end.....

I'm still the strange 01.

So what am I ?  
What's that make you ?

Is this a stage ?  
Do we act on que ?

And all is good, just not for some.  
But in the end.....

I'm still the strange 01.

I'm still the strange 01.

I'm still the strange 01.
