

And So (I'm Waiting) – EMERALD [J. Kemp @ Commentator]

Sometimes all of us, need some time alone.
Every one of us, need some place to go.
But not one of us, really seem to know.
What was meant for us, so we just, come and go.

Have you ever thought, what you did was wrong ?
Have you ever been, on the wrong side of the law ?
Did you ever think, you'd turn out this way ?
And to see yourself, here today.

And I'm waiting, for my time to come.
I've seen too much of this life. And I'm done.
It consumes itself, and before too long.
So I wait, for the end, to come.

Have you ever lost, someone, you really know ?
And was it worth the cost, in the end, even though ?
The loss of life, wasn't equal, to the cause.
So you console yourself, and accept it, for what it was.

Have you ever been, the start, of something great ?
But things worked out, exactly, not your way.
And then you tried again, but it wasn't, meant to be.

Things are much the same, for you and me.

And so I'm waiting, for my time to come.
I've seen too much of this life, and I'm done.
It consumes itself, and before, too long.

So I'm waiting, for the end, to come.
